OUR STORY

About Apexion Sports

Apexion Solutions, trading as **Apexion Sports**, is a Zimbabwean company registered under the Companies and Other Business Entities Act, designing, constructing and maintaining world-class sports and recreational infrastructure — from courts and pitches to pavilions, pools, tracks and playgrounds — alongside complementary paving and fencing projects.

We work hand-in-hand with **schools, colleges and learning centres** to turn unused yard space into safe, vibrant, curriculum-ready sporting and play environments — built to withstand daily use by hundreds of learners, term after term, year after year.

OUR VISION

To become Africa's leading sports and recreational infrastructure company, transforming communities through innovative, sustainable, world-class sporting environments.

OUR MISSION

Designing, constructing and maintaining high-quality facilities that exceed international standards — empowering athletes, schools, clubs and communities for generations to come.

CORE VALUES

- Excellence
- Integrity
- Innovation
- Safety
- Sustainability
- Teamwork
- Reliability
- Customer Focus

WHY SCHOOLS CHOOSE APEXION

1. **Proven Expertise**
   Decades of combined experience in sports construction & health, applied to school-scale projects.
2. **Safety First**
   A dedicated health & safety guide governs every stage — critical where children are involved.
3. **Built to Last**
   Sustainable, durable facilities designed to survive heavy daily foot traffic from learners.
4. **End-to-End Delivery**
   Design, build, paving, fencing and sports retail — one partner, one point of contact.
5. **Budget-Friendly Phasing**
   Projects can be phased across terms or budget cycles to suit school finance committees.

Led by qualified engineering & finance professionals — see page 6.

WHAT WE BUILD

Facilities Built to Compete

From the first line marked on bare ground to the final coat of paint, Apexion Sports delivers complete recreational infrastructure for institutions of every size — sized and specified to fit your school's site, budget and sporting code.

PEACE OF MIND FOR ADMINISTRATORS

Built with Learners' Safety in Mind

We understand that a school's first concern is the wellbeing of its learners. Every Apexion Sports installation is planned, built and signed off with that priority at the centre.

IMPACT-SAFE SURFACING

- Interlocking rubber soft-fall tiles under play equipment
- Slip-resistant, weatherproof court surfacing
- Rounded edges and secured anchoring on all structures

SITE SECURITY

- Perimeter and ball-stop fencing around courts and pitches
- Lockable gates and defined play boundaries
- Age-appropriate equipment zoning

QUALITY ASSURANCE

- Health & safety guide followed at every project stage
- Engineering-led supervision on site throughout
- Sustainable materials selected for long-term durability

AFTER HANDOVER

- Maintenance guidance for facilities and equipment
- Line re-marking and resurfacing services available
- Ongoing support from our Ruwa-based team

HOW WE WORK WITH YOUR SCHOOL

A Simple, Four-Step Process

1

Site Visit & Consultation

We assess your grounds, sporting priorities and budget with your administration.

2

Design & Quotation

A tailored facility layout and transparent costing, phased if required.

3

Construction

Engineering-supervised build with minimal disruption to school activities.

4

Handover & Support

Walkthrough, safety sign-off, and ongoing maintenance support.

MEET OUR LEADERSHIP

The People Behind the Projects

Talkmore D. Kasawaya
MANAGING DIRECTOR

Holds a BCom Honours Degree in Financial Intelligence from the Bindura University of Science Education (BUSE). Provides strategic and financial leadership, overseeing corporate governance, business development and the company's long-term growth strategy — including partnerships with schools and institutions nationwide.

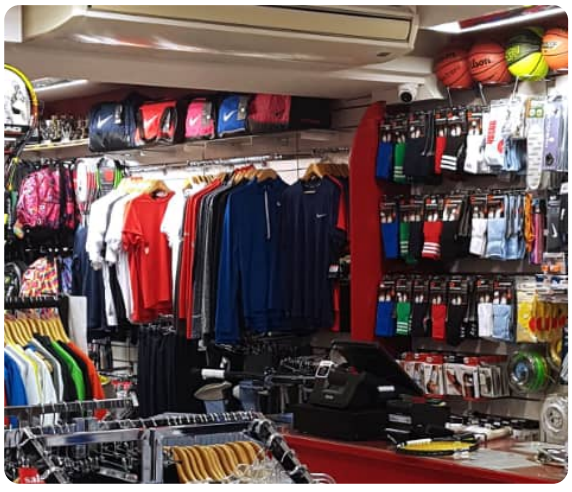

Josia T. Timire
OPERATIONS DIRECTOR

Holds a BSc Honours Degree in Biomedical Engineering from the University of Zimbabwe (UZ). Oversees day-to-day operations, bringing strong technical and engineering expertise to planning, quality control and project delivery on every site.

VISIT OUR CBD SPORTS ACCESSORIES SHOP

Equipping Every Athlete

Our CBD retail shop stocks quality merchandise for every athlete — shooters, sports gear and attire, rackets, cricket bats, tennis nets and balls, and more. Schools can outfit entire teams and PE departments in one visit, with bulk-order options available for uniforms and equipment.

> *"From the running track to the retail rack — Apexion Sports outfits your school's entire sporting programme under one roof."*

LET'S BUILD IT TOGETHER

Ready to Transform Your School's Grounds?

Whether it's a full multi-purpose court, a running track, or a safe, colourful playground for your youngest learners — Apexion Sports designs, builds and supports it end-to-end. Get in touch for a free site consultation and quotation for your institution.
